## DISORDERLY WOMEN

The Alliance of Women Leaders in Culture

The 'Disorderly Women' alliance aims to encourage solidarity, raise visibility and empower established and emerging generations of women leaders in the cultural sector in Europe by reflecting on urgent and timely perspectives, sharing experiences, exchanging competences and fostering new collaborations and connections. As one of its core activities, the 'Disorderly Women' alliance organises the HERstory events.

### HERstory Barcelona 2019

After a successful HERstory Basel 2018 it is our pleasure to invite you to the follow up, **HERstory Barcelona 2019 on 18 and 19 February 2019** in La Bonne Centre de Cultura de Dones Francesca Bonnemaison (Barcelona, Spain) where women leaders in the cultural sector in Europe will come together, take stock and plan for the future!

At HERstory Basel 2018 we concentrated on exploring the need and focus for a platform of women in Europe in leadership positions in the cultural sector. With HERstory Barcelona 2019 we will take it a step further and look at concrete outcomes and action plans!

We have developed an interactive programme, with informed discussions inspired by prepared short inputs. Participation is upon invitation only. If you can join us at **HERstory Barcelona 2019** please confirm your participation through this [Registration Form](#) before **19 December 2018**.

Delegates are women in leadership positions in the cultural sector in Europe. We aim for an equal balance of professional backgrounds and cultures for a total of 70 delegates, including a group of young women leaders.

We very much look forward to **HERstory Barcelona 2019** and will be delighted if you join us in the next step of this adventure!
